THE IDEALS OF MEMBERSHIP

Golf relies on the integrity of the individual to follow the rules of Golf and to show respect and courtesy to other players. The Club expects Members to show the same consideration for others as when in the Clubhouse. Our Club will be judged on the behaviour of its Members and its effects on the enjoyment of the game. The Club expects visitors to share the same standards of conduct. This booklet is primarily concerned with the Golfing activities of the Club.

The Board of Directors of the Club has issued a number of By-laws that affect the conduct of Golf at this Club, which are:

By-law 9 – Rules of the Course

By-law 10 – Owning and Driving a Cart

By-law 11 – Junior and Cadet Golf

By-law 22 – MiClub online Competition Golf Booking

The Board has also sanctioned a Code of Conduct for Members, Guests and Visitors which applies both inside and outside the Clubhouse.

Current versions of these documents are to be found on the Club website and can also be read at Reception and the Golf Shop. Should this document be at variance to them, the current versions will have precedence. Members must familiarise themselves with their contents.

Under the reformed Royal and Ancient Rules of Golf 2023 (1.2a) the Match Committee is empowered to disqualify any competitor for serious misconduct for which the Rules has no fixed penalty. The Committee has not at the time of writing chosen to introduce stroke penalties for lesser misconduct, but this may change in the future.

Please note that events and dates in this booklet are subject to change, please check the Club website regularly.

DRESS STANDARDS

Club dress regulations have been developed by your Board to achieve a satisfactory club standard. Members and their guests not correctly attired will be asked to leave the course or clubhouse. Regulations regarding dress code are displayed in the clubhouse and Golf Shop.

NOTE:

1. Persons not complying will not be permitted on the course or in the clubhouse.
2. Caddies and persons accompanying members must adhere to dress regulations. Members are responsible for the dress and conduct of their guest. Anyone wrongly attired may be required to leave the course.

RULES OF THE COURSE

In the following paragraphs, quotations from By-law 9 are in italics:

1. Members, guests and visitors are required to report to the Golf Shop before playing the course or using any practice facility. An authorising receipt will be issued whether or not any payment has been required. *Members are required to carry their current Membership card at all times*
2. All competition golf will be conducted according to the R&A/USGA Rules of Golf.
3. Only packaged alcohol purchased at the club may be taken onto the course. Beverage glasses served within the clubhouse are not permitted on the course at any time.
4. The dress code as displayed outside the Golf Shop must be adhered to.
5. Greens Staff have right of way on the course at all times.

6. Members transiting the course must give way to those playing the course. It is forbidden for any member not playing golf to be travelling opposite to the direction of play on, or adjacent to, a fairway if in range of a shot being played.
7. Players are not to hit up on preceding players, but should at all times be ready to play without delay. Nobody should move, speak or stand close to or directly behind the ball or the hole when a player is addressing the ball or making a stroke.
8. Bunker rakes are to be returned to the base of the bunker, and where practicable away from the normal line-of-play. Players must rake divots, smooth footprints and leave the bunker as they expect to find it. Enter and leave only on the low side of a bunker and do not walk on its face unless it is unavoidable.
9. Players searching for a ball should signal the following group to pass through as soon as it is apparent that the ball is lost, and not after the three minutes search time has elapsed. Players must not continue until those who were following have passed through and are out of range.
10. A group which is falling behind and is more than one clear hole behind the group ahead must allow the following group to pass. Failing this courtesy, the group following should request and has the right to expect that they will be allowed to play through. The group overtaken must not play on until the overtaking group is out of range. A group losing one clear hole may incur a two-stroke penalty per player, pair or group, depending on the event.
11. The playing of a second ball (a maximum of two) is permitted in a practice round provided there are not more than two players in the group – three or more players can only hit one ball each.
12. Motorised Golf vehicles must remain a minimum of 10 metres from any tee, green or bunker (unless on a formed path). Motorised golf vehicles must not be driven over mounds surrounding greens or bunkers. Authorised owners and second drivers of carts must be familiar with By-law 10

- 
13. Buggies, bags or carts are to be left on the exit side of the green and must not be parked directly in front of the green whilst putting. When play of the hole has been completed and any damage to the green repaired, players must immediately leave the area from the rear or from the side of the putting green.
 14. Buggies and pull carts are not to be taken on to tees or greens.
 15. All players are to carry and use sand to repair any player damage caused or observed around the course.
 16. Use of the Driving Range must be in accordance with the displayed rules.
 17. Players will not use profane or abusive language, throw or break their clubs, wilfully damage the course in any way, or criticise the course, the competition, or club officials.

MOBILE PHONES

When playing competition golf at Catalina, players may carry a mobile phone, which should be kept on silent and only used with due consideration to other players.

THE PACE OF PLAY

It is not the intention of these guidelines to penalise players, but to bring to player's attention the accepted methods whereby they can improve their pace of play and avoid inconveniencing other players who also wish to enjoy their golf

It is expected that a round of golf at Catalina should not take more than 2 hours for 9 holes and 4 - 4¼ hours for 18 holes. In the Rules of Golf, Rule 5.6 is relevant to the pace of play. A player who does not abide by

the Rules may be disqualified. Slow play causes great frustration to all the other players on the course. For everyone's sake, let us avoid it by:

1. Not starting a round early: this causes hold-ups in the flow of play, particularly on the Par 3 holes. This may be waived by the Starter.
2. Sticking to your booking time and allowing the group in front the allotted interval between tee-times
3. Maintaining your place in the field. Remember, your place in the field is immediately behind the group in front and not in front of the group behind.
4. Playing "Ready Golf":
 - Move briskly to your ball between each shot, don't wait alongside your playing partner/s, go directly to your ball and be ready to play when it is your turn;
 - If you are a shorter hitter play first from the tee or fairway if longer hitters are having to wait;
 - Play your tee shot if the person with the honour is not ready to play;
 - Play your shot before helping someone to look for a lost ball (remember 3 minutes is the maximum time to search for a lost ball);
 - If a ball is known to be in a penalty area do not waste time trying to retrieve it at the expense of the following players, return later to find it; and
 - Play or putt out of turn when it is appropriate to do so.
5. Not dawdling on the green. When you reach the green, move to your ball and repair any pitch marks. Where possible, line up your putt prior to your turn to putt.

CHILDREN ON THE COURSE

In the interest of safety, children under the age of ten (10) years are not permitted on or about the playing area (including the practice area) of the golf course, unless they are either under the immediate care and supervision of an adult, or they are a Junior Member of this club. However, the senior staff in the Golf Shop may grant exemption to such children who are playing members of some other registered golf club. When in a cart, children must remain seated, and under no circumstance will a child drive a cart.

DOGS NOT PERMITTED

Dogs are not allowed onto the golf course or into the club house. This restriction does not apply to Guide Dogs and other special needs dogs.

Guests within a Member's yearly allowance of 12 will enjoy discounted green fees. The Member is still free to invite more guests, but without any discounts. A Guest's attendance on the course may be in a competition or as a social

RULES FOR USE OF GOLF CARTS

1. Golf Carts may be used in any Club competition.
2. Any person wishing to use private motorised vehicles **MUST** apply to the General Manager for approval (conditions can be found on Club Catalina website). Each application will be considered on merit.
3. The considerable increase in the use of motorised transport has caused the Board to examine ways of minimizing harm to the course and interference to other players. Vehicles must, therefore, meet the club's minimum standards with regard to:
 - Silencing (electrically driven vehicles are, therefore, preferred and will, ultimately, be the only vehicles accepted), and,
 - Potential to cause damage to the course (weight and wheel width are critical to this assessment).
 - NB, standards and specifications have been determined and are available in request.
 - Any new application by a member seeking permission to use private motorized transport must comply with these standards.
4. Motorised Golf Carts must not be driven any closer than 10 metres to a tee, green or bunker.
5. Motorised Golf Carts must not be driven over mounds surrounding greens or bunkers.
6. Failure to comply with the above will result in MGV privileges being withdrawn.

7. Motorised Golf Carts should not be left unattended in any areas that limit access to entrances, walkways and pathways.
8. Motorised Golf Carts are to be driven at a speed that is safe, responsible and with due courtesy to all other members.
9. **Drivers of Motorised Golf Carts must have a valid NSW Roads and Maritime Services (RMS) or state/territory equivalent driver's licence.**
10. Access to the Golf Shop from the cart shed is only permitted by way of the service path and bridge provided (do not drive across the 18th fairway).
11. **Keys should be removed from Fleet Motorised Golf Carts when the vehicle is not in use. Keys for hire vehicle should be returned to the Golf Shop immediately the game is completed.**

FAILURE TO COMPLY WITH THESE RULES COULD RESULT IN THE WITHDRAWAL OF THE PRIVILEGE OF MOTORISED GOLF CART TRANSPORTATION.

COMPETITION EVENTS AND HOW THEY ARE PLAYED AT CATALINA

1. MEDLEY EVENTS

Event labelled as "Medley" in this Fixtures book means that both genders may make an entry on that time sheet but, unless otherwise notified, there will be separate competitions for men and women.

2. 4BBB EVENTS (STABLEFORD, PAR)

Two Players play as partners – each using his/her own ball. Players must be identified on the card as player 1 and player 2 – the better score is recorded for each hole played. If player 1 has the best score mark the score in the P1 column and place a dot in the corresponding score column.

If player 2 has the best score mark the score in the P2 column and

place a dot in the corresponding score column and the P2 column (far right).

Note: If you are unable to beat your partners score pick up and place a dot in the W column.

3. FOURBALL STROKE

Played similarly to Fourball Stableford except that the best gross/net score is recorded for each hole.

4. FOURSOMES

Two players play as partners and use one ball. The partners hit off from alternate tees and thereafter strike the ball alternately during the play at each hole. Handicap allowance is 1/2 of combined handicaps.

5. MIXED FOURSOMES

Mixed Foursomes are played in the same manner as Foursomes except that the Ladies use their own tees and tee from the even numbered holes and Men tee from odd numbered holes.

6. CANADIAN FOURSOMES

Played as above except that both team members play tee shots at every hole and afterwards continue with one nominated ball hitting alternately. Handicap allowance is 3/8 of combined handicaps.

7. TWO STROKE CANADIAN FOURSOMES

Two Stroke Canadian Foursomes requires each partner to play two strokes with his/her own ball before proceeding to alternating play.

8. AMERICAN FOURSOMES

Both players play tee shots at each hole, then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in Foursomes with the owner of the ball selected playing the third stroke. Handicap allowance is 3/8 of combined handicaps.

9. IRISH FOUR BALL

Played by a team of four, three or two. The score for each hole is the best two Stableford scores obtained by any two of the four in the team – 2 scores only to be recorded. The scorecard must show each team member's handicap. The scorecard is to be signed by the marker and countersigned by one other team member.

Note: If your score cannot beat the other two scores pick up and mark a spot in the W column of the scorecard.

10. PROGRESSIVE IRISH FOURBALL

Played as above except that teams may be of 3 players and scoring is recorded as follows:

1st six holes best 1 of 4 scores

2nd six holes best 2 of 4 scores

3rd six holes best 3 of 4 scores

Same scorecard requirements as above

11. DROP-OUT AMBROSE

A team stroke event usually played by a group of three or four, no drop out if less than 3 players. Each player plays a tee shot on every hole, the Captain of the group then selects the ball to be played, the player whose ball is chosen does not play the next shot except on the green where all players putt, play proceeds as follows:

Tee Shots

Each team member must contribute at least four drives per eighteen (18) holes if there are four players in the group, five drives when a team consists three (3) players and 6 drives when playing in teams of 2. The scorer must record whose tee shot was used on each hole.

In the General area

The position of the selected ball is marked and each player then places a ball within one club length of the marked position but no nearer the hole. There is any order of play.

Outside the General Area

As above except that the placement must be in the same conditions as the marked position (i.e. Penalty Area or bunker).

On the Putting Green

Other balls must be played from within one putter-head length either side of the selected marked ball, and no nearer the hole. Once any ball is holed-out, no further strokes are permitted.

Scorecard

The scorecard must show each team member's handicap and is to be signed by the marker and countersigned by one other team member.

12. 4 BALL STABLEFORD MULTIPLIER

Played in teams of two. Each player must record a stableford score for each hole played (even if the score is zero). The two scores are then multiplied together to give the team score for each hole.

MULTI TEE EVENTS

13. MULTI TEE EVENTS

At Club Catalina from July 1 2022 players in Club competitions (excluding medal and championship events) may nominate to play their competition from one of the 4 tee boxes i.e. Blue White Red or Yellow. Handicaps will vary according to Tee choice.

A GREEN TEE WILL BE AVAILABLE. THIS TEE WILL BE DEFINED AS FOLLOWS:
